Parking
Patients and families should park in the West Ramp, which is connected to Regions Hospital. Its entrance is on Jackson Street.

Valet Parking
Weekdays from 8:30 to 5:30, we offer complimentary valet parking for Gillette patients and families. (Although the valet service is free, parking ramp fees still apply.) Pull up to the main Gillette entrance (level D of the Regions Hospital West Ramp). After unloading, give your vehicle's keys to the valets. They will give you a claim ticket and park your vehicle for you. If needed, they will help you unload and show you to the registration area. When you're ready to leave, give your claim ticket to the valets, and they will bring your vehicle to you.

Tall Vehicles
If your vehicle is taller than 7 feet, please go to the main entrance to Regions Hospital (off Jackson Street). Use the valet parking. If you have Gillette stamp your valet ticket, the cost for valet parking is the same as the cost for parking in the Regions Hospital West Ramp.

Accessible Parking
All of the parking spots on Level D are large enough for wheelchair-accessible vans. Additional patient parking is available on Levels C, E and F. Those levels have accessible parking spaces near the hospital entrances, but the spaces aren't large enough for wheelchair-accessible vans. You must have an accessibility (handicap) sticker to park on Level D or in any of the other accessible spaces.

Parking Rates
To receive a reduced parking rate for patients and families, simply bring your parking ticket to the main desk in any Gillette department. We'll stamp your ticket.

To Find Gillette's Main Entrance
The main entrance to Gillette is on Level D of the Regions Hospital West Ramp. If you park on another level, please take the North Elevators to the fourth floor to enter Gillette. The North Elevators are located at the east end of the parking ramp. Most appointments take place on our fourth floor. If your appointment is on our third floor, it will say so in your appointment letter.

To Find Surgery and Third-Floor Services
Surgery, Advanced Imaging Services and some out-patient appointments are located on the third floor. To reach these areas, take the North Elevators to the third floor and turn left to enter Gillette.

To Find the Center for Gait and Motion Analysis
Take the North Elevators to the fourth floor, and register at the main desk. Then follow the fourth-floor skyway to Gillette's new patient-care building. Note: The only entrance to the new building is through the skyway. There's no street access.

The skyway is just past the North Elevators and Ginkgo Coffee Bar and Deli. Follow the skyway past the entrance to Rehabilitation Therapies and turn right. Follow the corridor to the elevators on the left. Take the elevator to ground level.

To Find Rehabilitation Therapies
Take the North Elevators to the fourth floor, and register at the main desk. Then follow the fourth-floor skyway to Gillette's new patient-care building. Note: The only entrance to the new building is through the skyway. There's no street access.

The skyway is just past the North Elevators and Ginkgo Coffee Bar and Deli. The entrance to Rehabilitation Therapies is on the right, near the north end of the skyway.

Need Help?
